To Whom It May Concern,

As we just finished our initial year at the new Library in Metzger Park, I invite you to reflect on the enduring legacy and continued evolution of the Louisville Public Library. Since opening our doors in 1935, the Library has grown from a modest collection of books into a vibrant, dynamic center of learning, innovation and connection for all.

In our first year, the Library at Metzger Park has welcomed over 45,000 visitors and loaned nearly 190,000 items.

As we celebrate the historic one-year anniversary of the new Library, we are excited to announce the creation of our first ever Annual Giving Campaign. Donors are invited to give to either the Louisville Public Library Endowment Fund at Stark Community Foundation or directly to the Louisville Public Library. During our successful Capital Campaign, the Library raised over one million dollars to support the construction of our beautiful new Library.

With funding changes looming at the State and County levels, fundraising has become an even more important tool in ensuring the Library's lasting success and impact on our community. This year, we call on our dedicated supporters to contribute to:

- Support lifelong learning and foster a love of reading, learning and connection.
- Long-term operations and ongoing services.
- Ensure that access to technology and training remains free and open to everyone.

To make your tax-deductible contribution to the Library Endowment Fund or to the Library, scan the QR code on our postcard or send gifts to one of the following addresses:
